The reasons for the proposed vacation are as follows:

1. Access: This alley is rarely used by the public. The public has access to Second Street by way of Orchard Street. Homeowners on Second and Third Street have access to their properties by way of an alley off Second, Clark, Barthhold and High Street.

2. Property Damage: This section of the alley we request vacated has caused property damage to owners surrounding this section. In the past, we have suffered parked cars being hit, fences knocked down, graffiti sprayed on cars and auto accidents.

3. Safety & Security: This alley poses a threat to the safety of residence living near the alley. Within the past two (2) years this alley has become a gathering point for juveniles. Due to the alleys lack of sufficient lighting, young teenagers use the area to spray paint gang symbols on vehicles.

4. Emergency & Utility Access: By closing this section of the alley, it will not prevent emergency vehicles access to properties surrounding the alley, nor will it affect utility vehicle access. There is only one utility pole in the area affected. This pole can be easily reached by way of Third Street.
(see photo marked 3A)

5. Quality of Life: By vacating the alley, residence surrounding this area will be able to use their back yards with privacy from the public. It will allow us to communicate with each other and eliminate the noise from young adults fighting in the alley; loud music; and cars spinning their tires on the gravel surface.

6. Garbage Pickup: Since the property located at 1311 Orchard is under demolition, all property owners surrounding the requested area to vacate will still be able to continue putting out their garbage for pick up in the same area they have been using for years.

7. Cleanliness: Miss Irene Roy lives adjacent to the alley being requested vacated. She lives in the yellow house, see photos. Miss Roy claims that for years she has not been able to open her windows facing the alley due to the dust and noise coming from this alley.

Galen and Kim Glick reside at 1311 Orchard, (see photo) they have an up ground pool in their back yard. They claim kids throw rocks in their swimming pool and at their two (2) dogs.

Rob Strahm of Strahm & Johnson owns 609 & 607 Third Street and 1315 Orchard, he claims that people use his property at 609 Third Street and 1315 Orchard Street as short cuts to get to their destinations. Mr. Strahm claims his bushes and landscaping has been damaged by those people using his property as a short cut.

8. Revitalization: By allowing the residence to vacate the public right-of-way, the residence have agreed to disassemble the alley by taking away all the stones and replacing them with grass and bushes. Also a fence will be placed across the alley between 1315 and 1311 Orchard Street to prohibit access to the alley. Also, residence have agreed to place signs at the entrances to the alley being vacated which read, "NO OUTLET" or "PRIVATE PROPERTY". As a result of the closure to this section of the alley, the appearance

of green grass and bushes over mud, dirt and rocks will add to the on going progress in the revitalization of the Bloomingdale neighborhood.
